RS123A St John's Hill

in Bansko

NEW LOWER PRICE - This studio apartment is located in the St John's Hill Complex. Situated next to the tree line of the Pirin Park and at the highest point of Bansko, the complex is designed with great care to the finest details and the apartment gets an abundance of sunlight and offers unobstructed views to the mountains. The apartment looks west over to the Pirin mountains and it benefits from a wood fire to give that extra warmth in the cold winter nights. The bathroom comes with a shower. Air conditioning in the lounge.

The apartment is fully furnished, with a fitted kitchen, dining table and chairs for four, a wardrobe, a dressing table and a mirror. The sleeping area is fitted with two single beds with bedding. The apartment has fitted curtains and full inventory included in the price. In addition to an exclusive Spa and Wellness centre St John's Hill complex offers a wealth of amenities including indoor swimming pool, international cuisine restaurant, ski school and a complimentary shuttle bus to the Gondola lift and to the historic centre of Bansko
