Beautifully Designed 3 Bedroom Townhouse

in Quarteira, Loulé

Beautifully designed and styled 3 bedroom townhouse located in the popular town of Quarteira. With easy access to all local amenities such as supermarkets, restaurants, bars, schools and one of the Algarve's many glistening golden beaches, you'll never be short of things to do.

A traditional Portuguese style is visible with the architecture externally, although internally a modern and vibrant design has been used throughout. The ground floor is comprised of an open plan living/dining room, fully fitted kitchen, guest bathroom and a private back garden which has a possibility to be enlarged, or the placement of a pool can be organised in the area currently used as an annex. On the first floor you will find all 3 bedrooms, 1 being an en-suite and another has access to its own private terrace.

Due to the traditional style of this townhouse, even though it is currently not equipped with air-conditioning, inside can be cool and breezy on hot days - especially with all windows being opened and its location.

Whether you're looking for somewhere to relocate, retire, holiday, or even generate some additional income, this property would make a fantastic investment.
