## 5 Bedroom Villa with Lake Views

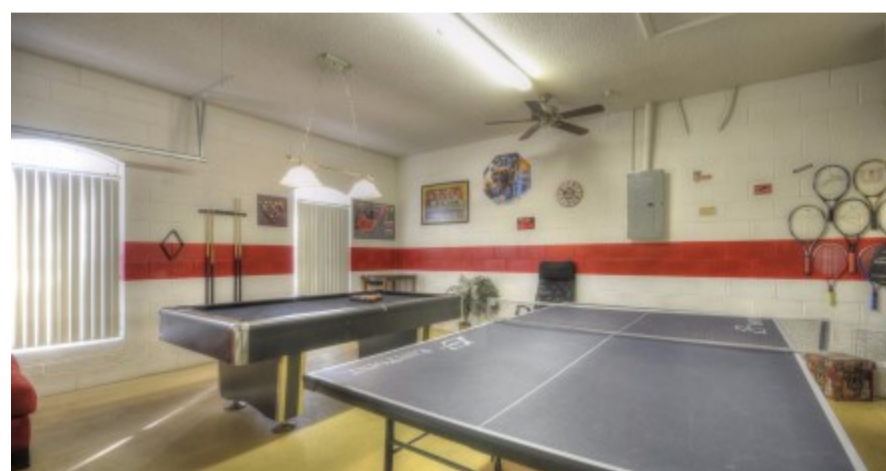

in Davenport, Polk

Stunning fully furnished, two storey home with amazing water views and private pool, creating the perfect dream home or rental investment. They just don't make them like this anymore, especially where the biggest feature is a lot of space.

With a gorgeous lake right behind it, indoor games rooms, massive bedrooms along with living areas and a lake view pool, this villa would make a fantastic investment in Orlando Florida. Completely remodelled throughout in 2015 so all that is left is for a personal touch to be added.

Families that have stayed at this villa have rated it as one of the top of an all around benefit for their holiday needs, and best of all it is in the middle of highway 27, making it steps away from pubs, bars, restaurants and best of all, it's only 10 minutes to Disney.

This villa is extremely popular withing its community since 1999 for holidays, and today it still has the same, if not better, response with people looking to holiday.
