

IDEALHOMES *International*

in Ciudad quesada, Alicante

KEY READY ; Located in a set of 51 plots of 200m², these new villas are presented into 2 models. Both have a built area of 101m², 3 bedrooms and 3 bathrooms and include private pool with waterfall of 6.50x3.30m². One of the models proposes terrace with access from the main room to enjoy the views over the lagoons with option to a solarium that is possible to add to this model. The other alternative offers a double height and impacts with a large glass window where from the upper floor you can have a clear view of the living room, so it provides great light to the home, and offers a large solarium of 45m². Delivery December 2018.
