## BAHÍA PLAYA

in Santa pola, Alicante

Bahia Playa is a residential consisting of apartments, located in the Gran Alacant area. Gran Alacant is a residential area belonging to Santa Pola, formed by a set of urbanizations and a multitude of services. It is characterized by having two main areas: one at the entrance from the N-332, with a newer and more modern construction, and in which a large commercial area is located; and another, closer to the beach of Arenales, and that offers a variety of restaurants and small shops. It has excellent communications, so you can forget about the car to go to the beach, since it has an urban line that connects the whole area. If you need it, you also have several options to move to Alicante, Santa Pola and the airport. In Bahia Playa you will find apartments with 2 bedrooms and 2 bathrooms, in a residential area where the common areas are the protagonists. From the spacious terraces of the apartments, you can enjoy views of the pool area. An excellent option if you are looking for tranquility without giving up services.
