### Fantastic Villa in Pinoso in A 1 km de pinoso, Alicante

The villa is available in various designs.

The spacious covered terrace outside the living room is fantastic for eating outdoors while contemplating the gardens and swimming pools. Large windows throughout the villa allow natural light into all rooms.

The two terraces leading to the rooms also offer magnificent views of the incredible sunrises and sunsets for which this area is famous.

Luxury features are standard in this design and you will have a wide variety of kitchens and tiles to choose from.

All models have been designed with large windows to allow natural light in.

Excellent quality construction with contemporary fixtures as well as stunning location with panoramic views.

You can choose from four different models and all come with the same weft, electricity and water already connected.

Make an appointment with us to see the villas and observe the fantastic area.
