Modern 4 Bedroom Villa For Sale in Lagos

in Porto de mós, Lagos

A superb brand new villa for sale in Porto de Mós, designed and constructed by the renowned architect Mario Martins this property offers a contemporary design throughout.

Situated within a quiet area in one of Lagos most exclusives districts this property is a great investment for those looking to relocate to the West Algarve permanently, use as a holiday home or a way of generating an additional income through short term rentals.

Offering a build size of 224m², the ground floor will be comprised of a bright and spacious living room, a fully fitted modern kitchen, a guest bedroom with an en-suite bathroom, a fully equipped laundry area, and a generously sized private garage with a large exterior ventilated room where you can grow plants such as a variety of herbs, vegetables and fruits.

Upstairs there will be three spacious bedrooms all with their own en-suite bathrooms and access to private terraces where you can enjoy the Algarvian sunshine all day long.

Comprised of bright and open spaces, this villa will come equipped with everything you would want and expect from a property of this calibre, including full air-conditioning throughout, thermostatically controlled underfloor heating (with a heat pump if desired for an additional cost) and solar panels which will heat up the water enabling you to be more eco-friendly.
