Aquamarine Villas by Aristo Developers – Inspired by the blue of the Mediterranean

in Yeroskipou, Geroskipou

Comprising 41, three, four and five bedroom luxury, coastal villas with modern design and aesthetic, enriched with high quality finishes and specifications, Aquamarine Villas are designed to reflect the uniqueness of the surrounding area.

The location of the development is a stone's throw away from a plethora of sandy beaches, lining the coastal tourist road leading to Kato Pafos with its picturesque harbour, medieval fort and colourful promenade comprising five-star hotels, shops, cafes, amenities and services.

With covered areas of up to 433 square metres, Aquamarine Villas are designed on large plots (up to 698 square metres), combining all the comfort and functionality to complete the ideal Mediterranean lifestyle. And since outdoor living is a prerequisite, all villas include a large, private swimming pool and spacious garden, while indoor living boasts spacious interiors finished with luxurious materials of international standards, satisfying the requirements of the most discerning property owner.
